

The **Raghu Sharma Scholarship Fund** was established in April 2007 by his family as a memorial to Dr. Sharma.

Scholarships will be awarded annually to two local high school students. Qualified recipients will be high school seniors (from pre-selected public high schools) who intend to go to an accredited four year college to pursue a degree in technology or engineering.

The first scholarships will be awarded in Spring 2008.

To make a donation, please send a check to:
